30 May 2014

**CERTIFICATION**

To whom it may concern;

This is to certify that the Office of the Presidential Adviser on the Peace Process (OPAPP) - Bids and Awards Committee (BAC) prescribed Limited Source Bidding as the procurement method for the Independent Evaluator of the PAMANA Midterm Review project for the reason that the consultancy services the agency seeks to obtain is highly technical and is obtainable only from a limited number of sources. Furthermore, the project requires extensive experience and proven capability in the field of evaluation research and a background on social development programs.

This is to further certify that the approved list of pre-selected consultants and institutions were endorsed by relevant government authorities and were pre-selected by the OPAPP-BAC and its Technical Working Group based on the following criteria:

1. Relative amount of experience / involvement in the area of peace, development, governance;
2. Coverage (geographical considerations);
3. Established organizations / institutions with background in peace, governance and development work.

Finally, this is to certify that the approved list of pre-selected consultants and institutions is exhaustive, current, and reliable to the extent that resorting to public bidding will unlikely result in any additional suppliers or consultants participating in the bidding.

Issued this 30<sup>th</sup> day of May 2014 at Ortigas, Pasig City.
