

BIDS AND AWARDS COMMITTEE

Project: Procurement of Internet Service Provider for the GPPB-TSO New Building

Bid Bulletin No.: 02

TO ALL INTERESTED BIDDERS:

Please be advised of the following clarifications to the requirements specified in the Bidding Documents issued for the above-mentioned project:

Questions/Concerns on the requirements	Clarifications/Answers
1. What is the required supporting document for no service delay and when should we submit it?	Bidders must submit a duly notarized Statement or Certificate of No Service Delay from their previous clients either from the government and private which shall be submitted along with the bid proposal on or before the deadline for submission of bid. The BAC shall conduct random verification and validation with the existing clients of the bidder.
2. Can the mean time for internet outage be adjusted from 4 hours to 24 hours?	Yes, but only for major outages caused by fiber cuts; the service provider shall submit an incident report.
3. How will be the connection from the powerhouse to the Electrical room?	Connection from Meralco pedestal to powerhouse and from powerhouse to building electrical room will be by means of an underground layout.
4. How many copies of the bid proposal shall be submitted?	Each bidder shall submit two (2) sets; one envelope marked as "ORIGINAL" while the other as "COPY". Both the ORIGINAL and the COPY shall be enclosed in one single envelope.

Please be guided accordingly.

Issued this 12th day of April 2023.

MS. JULIE D. ABRIGO
